Survey Question: What has been the most helpful thing about the services you and your child received over the last 6 months?

Gender	Age:	Ethnicity:	Area:	Feedback:	Comment:
		Caucasian			the support we get
M	14	Caucasian			staff explained plan for child to me although it was put into place before coming to live with me - I also have a chance to speak to staff before, during or after service for child
F	14	Caucasian			client didn't answer question
M	9	Caucasian			advice on dealing with school problems and othe wrong choices at home
M	6	Caucasian			scheduled times
M	16	Caucasian			close location - usually not a wait the dr. (snyder) and his coueslor (scott)
F	14	Caucasian			a counselor that she respect and can work with
M	10	Caucasian			Dr. snyder stuck with working on the PA for _____with _____healthcare company Malena until it was approved. He is very dedicated.
M		Caucasian			I think it's the fact that the child and parent both see the counselor together to talk about what has been going on it's theraputic for the parent as well as the child
M	12	Caucasian			He has learned to repect what others say or do he treats others with respect
M	11	Caucasian			the fact that Dr. Snyder is available as often as he is in case med. Changes are needed
F	7	Caucasian			getting along better, a lot less a anxiety
M	9	Caucasian			client didn't answer question
		Caucasian			communication with coueslor and understanding by polar and it's cycles.
M	13	Caucasian			the fact that Dr. O and Dr. Snyder listen to everything we have to say
F	8	Caucasian			in helping my child cope with her aggression has made out home a safer place for her siblings. There is less tension with children at school.
F	16	Caucasian			flexable time - counciler willing to talk to all of us
F	6	Caucasian			She can talk to someone (Dr.O) about things that are going on that she won't talk to family about.
M	16				med. Refills- unable to find a doctor closer to my home
M	14	Caucasian			he's getting better grades in school. He's learning . He's learning to listen and tell the truth when asked. He's starting to try to treat people with respect.
M	14	Caucasian			anger management
M	18	Caucasian			clielnt didn't answer question
F	13	Caucasian			I don't think my child is opened up and she feels she doesn't need the services
	11	Caucasian			client didn't answer question
M	9	Caucasian			we're only here for an evaluaton
M	7	Caucasian			counseling
M	13	Caucasian			Jessica keep trying to get him to talk about is anger
